GAME DEVELOPERS CONFERENCE

PABLO FIGUEROA

Associate Professor, Systems and Computing Engineering

CATALINA BOTERO

Dean, School of Law

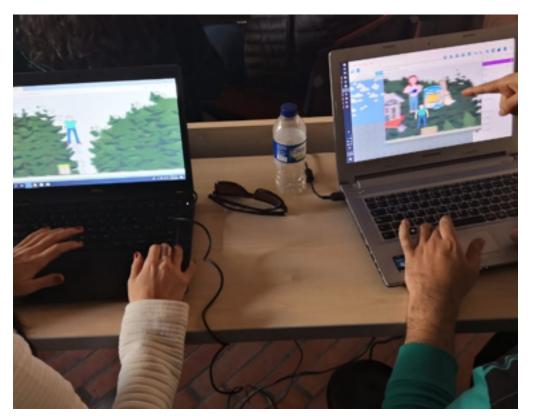

Puerto Rico is a colony of the United States since 1898 Since Puerto Rico is not a state it can't declare bankruptcy. An since Puerto Rico also isn't an independent nation it can't ask for international help.

Since it invaded, the U.S.

society

Given it's colonial situation + corruption + mismanagement in the present the Puerto Rican government has a debt of 72 billion dollars

e present the Puerto Rican
of of 72 billion dollars

Puerto Rican Context ti;dr

has imposed laws that affect Puerto Rico's economy, right to self determination, and

In order to "HELP" the U.S. congress under Obama imposed a fiscal control board of unselected officials that can make decisions over the island's budget and impose

austerity measures

Puerto Rico was hit by a category 4 hurricane the worst of it kind in years that left the entirety of the island without power

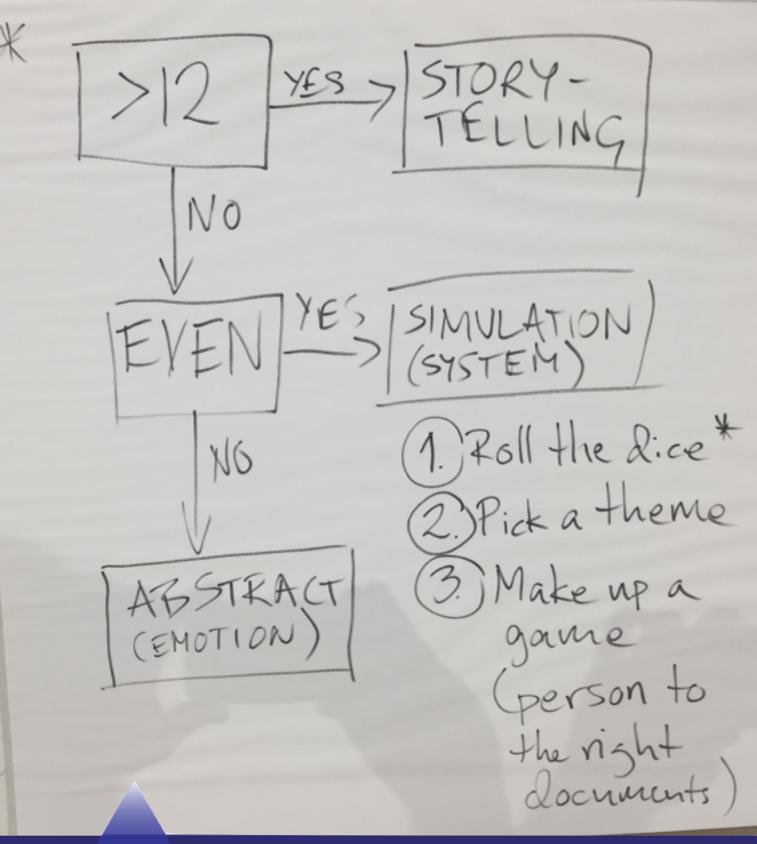

Puerto Ricans are citizens of the U.S. but can't vote for the President or have officials elected in congress
