

Servicing a Game using Feature Driven DLC

🌀 What Content/Features to release & when

IGN:
"Outstanding"

Dave Burrows

IGN:
"Outstanding"

Not only was Wipeout Pure an excellent launch title for the PSP, it brought downloadable content kicking and screaming onto the handheld scene

Development does NOT stop at Launch

What to Release and When...

- ① Products and Services Adoption
- ② Game Feature Classification
- ③ Optimising Feature Delivery

How are Products or Services Adopted?

Technology Adoption

Technology Adoption Life Cycle

When people adopt

Adoption Process

How people adopt

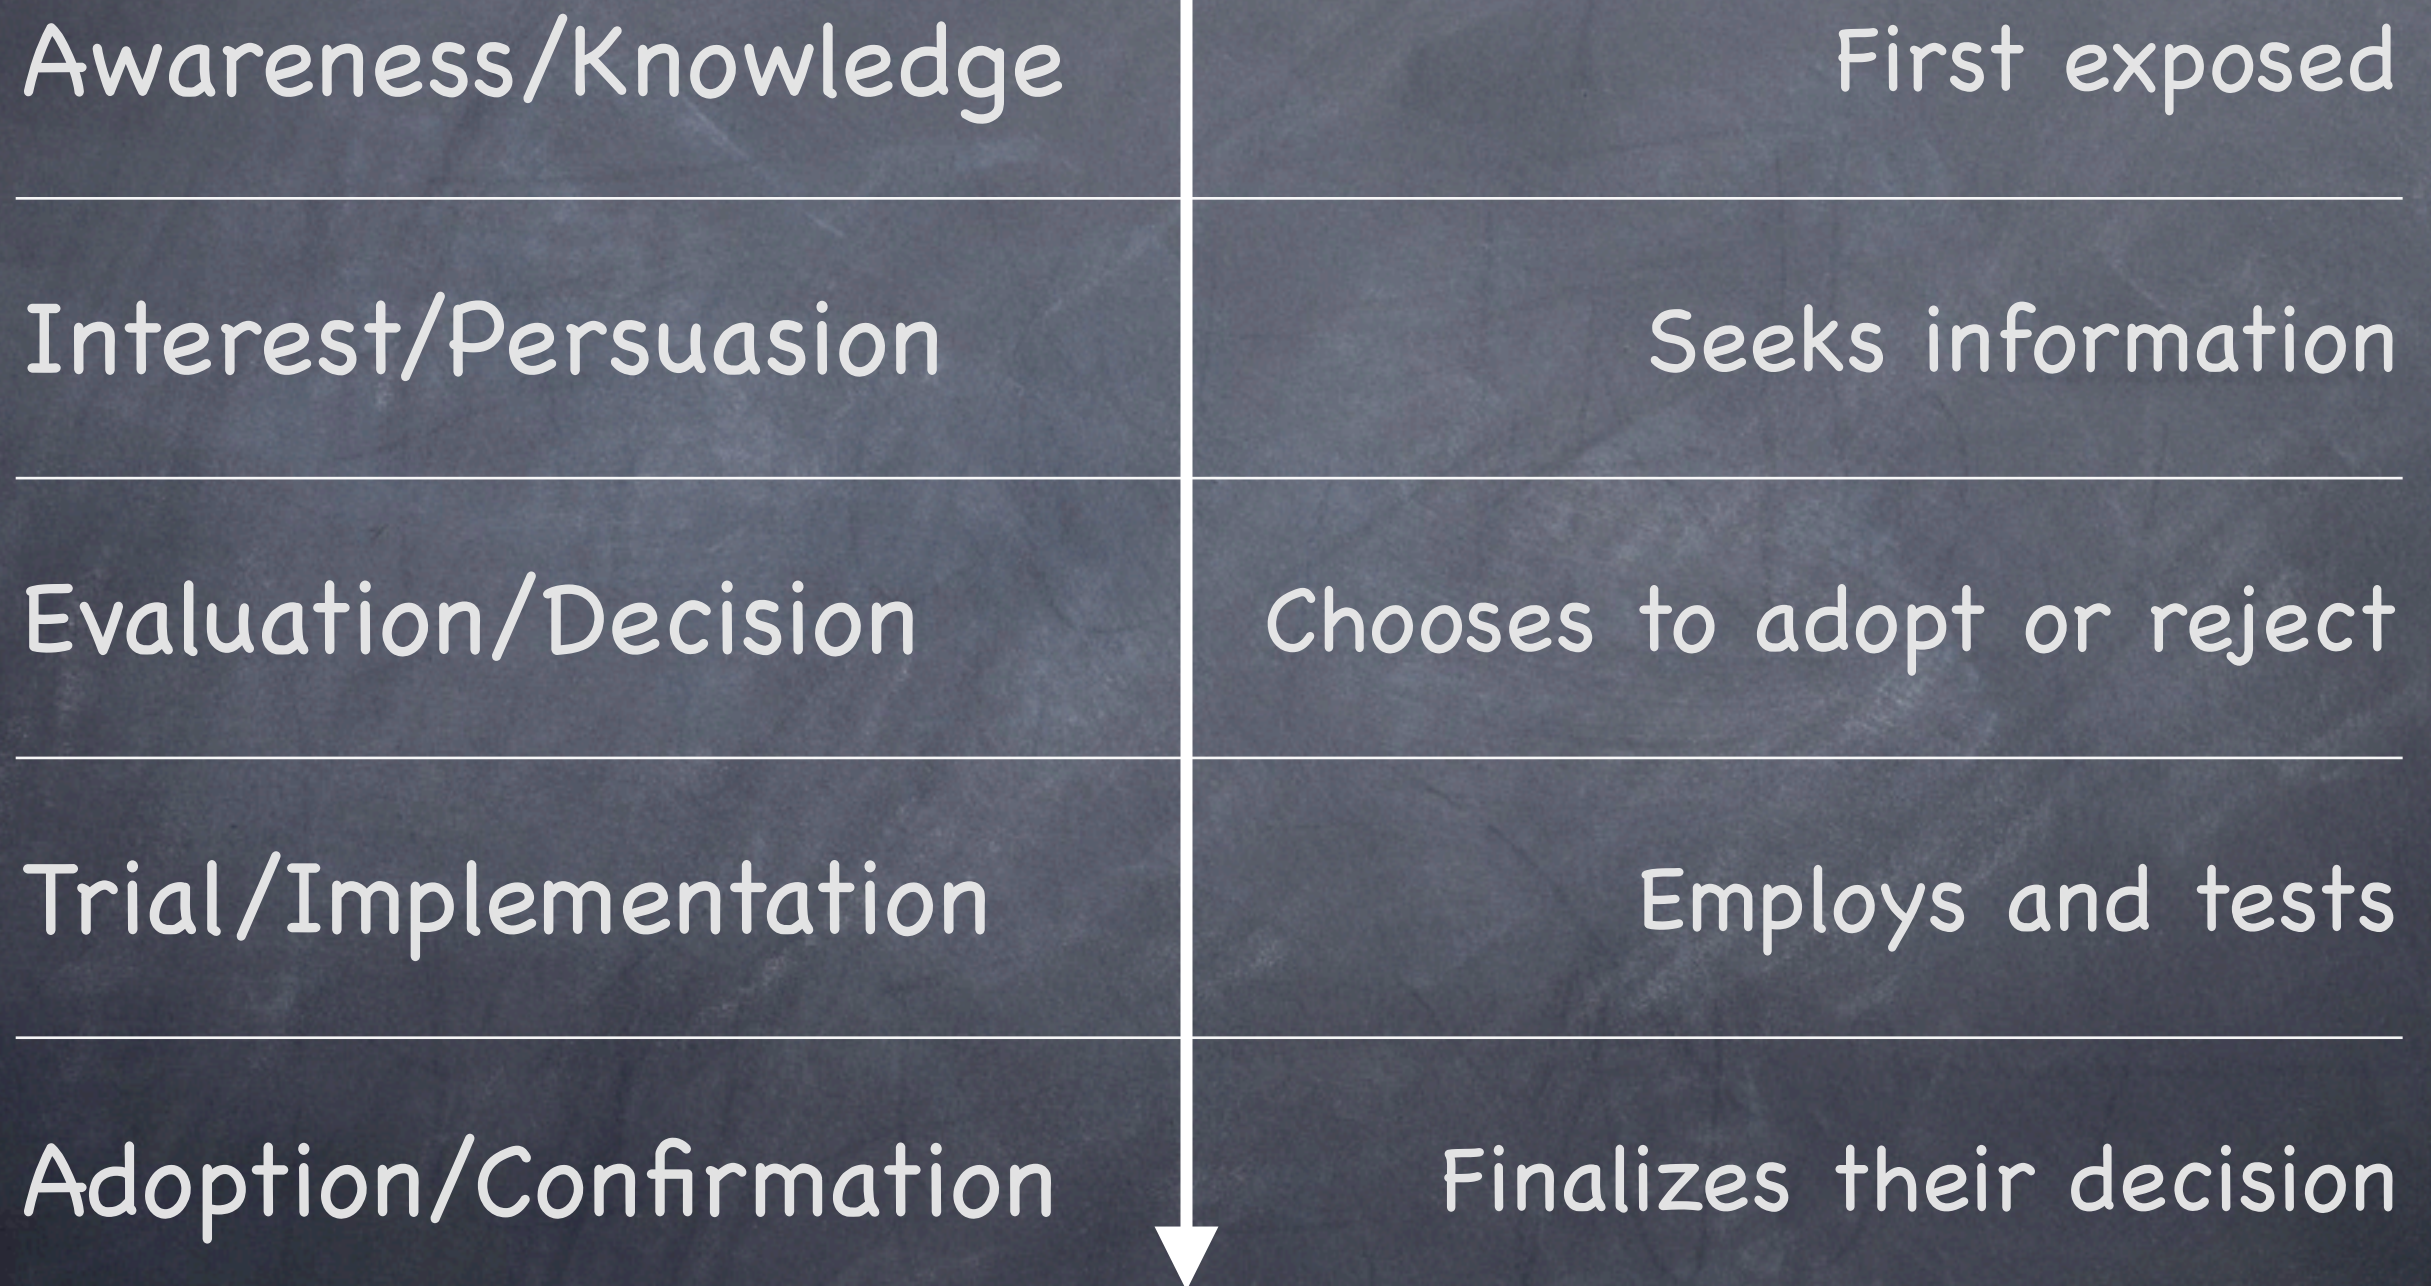

Technology Adoption Life Cycle

Technology Adoption Life Cycle

Innovator	Early Adopter	Early Majority	Late Majority	Laggers
Love tech' and can understand it	Welcome tech' for the benefits it brings	Welcome tech' but will avoid risk	Not comfortable with new tech'	Don't want to change and hate Tech'

Adoption Process

How Each Adopter Handles Adoption

	Innovator	Early Adopter	Early Majority	Late Majority
Awareness	Blogs & Forums	Specialist Press	Word-of-mouth	General press
Interest	Specific website	Search engine	Friends	Point-of-sale
Evaluation	Technically great	Something new	Fulfil a need	Everyone is using
Trial	Enjoy getting it working	Returns > time spent	Step by step	Single click
Adoption	Impressive tech	What else does it do	Part of routine	Joined the crowd

How Each Adopter Handles Adoption

	Innovator	Early Adopter	Early Majority	Late Majority
Awareness “how do you 1 st hear”	“Almost always on the internet (e3 video streams, blogs, twitter, gamesites)”	“I usually check Eurogamer or Kotaku”	Discussions “through work”	“I tend to look at my fav’ Developer websites”
Interest “find out more”	“Internet game sites/video (1up, Eurogamer)”	“Enter it's name in a web browser”	“Google, then whatever looks the most 'legit'”	“Web searches, Playfire.com, Facebook groups”
Evaluation “why would you buy”	“I like the look of it based on what I've seen”	“It looks innovative or is from an existing franchise”	“If it would give me continuous gameplay”	“I like my games to be familiar so I tend to look at sequels”

An adoption of 2 halves

How Each Adopter Handles Adoption

	Innovator	Early Adopter	Early Majority	Late Majority
Awareness	Come across it		Pushed to them	
Interest	Search the information out		Recommendations and friends	
Evaluation	Choose for themselves		Trust reviews	
Trial	Work at it		"One click"	
Adoption	Adjust life to it		Merge it in to their life
