CAPTURING FOOTAGE

OSX: SCREENFLOW

- Best screen capture application on any platform
- \$99 Records everything, Screen, camera, mouse, windows
- Great editing tools, well designed, can hide the cursor and replace it with whatever you want
- Possible to edit your whole trailer in Screenflow

CAPTURING FOOTAGE (Windows)

FRAPS, CAMSTUDIO, CAMTASIA

- Camstudio: **\$FREE!**
- Fraps: **\$37**
- Camtasia: \$299 (WIN)
- Best out of the bunch is Camtasia, but it is infuriating to work with!

CAPTURING FOOTAGE (Hardware) BLACKMAGIC INTENSITY

CAPTURING FOOTAGE (Hardware) DSLR VIDEO

- Works great for iOS games that make unique use of the hardware (accelerometer, gyroscope)
- Great way to show off social interaction with the game or to showcase touch interface

CAPTURING FOOTAGE (Hardware) DSLR VIDEO
