

# Burgle Bros: Fantasy of the Heist

**Tim Fowers**  
Fowers Games

# Who is this guy?

# Boardgames: Software that runs on people

# Core Emotion of a Boardgame

- Cooperative: Altruism
- Secret Hitler: Deceit
- Settlers: Reciprocity
- Ticket to Ride: Prioritizing

# What would I do?

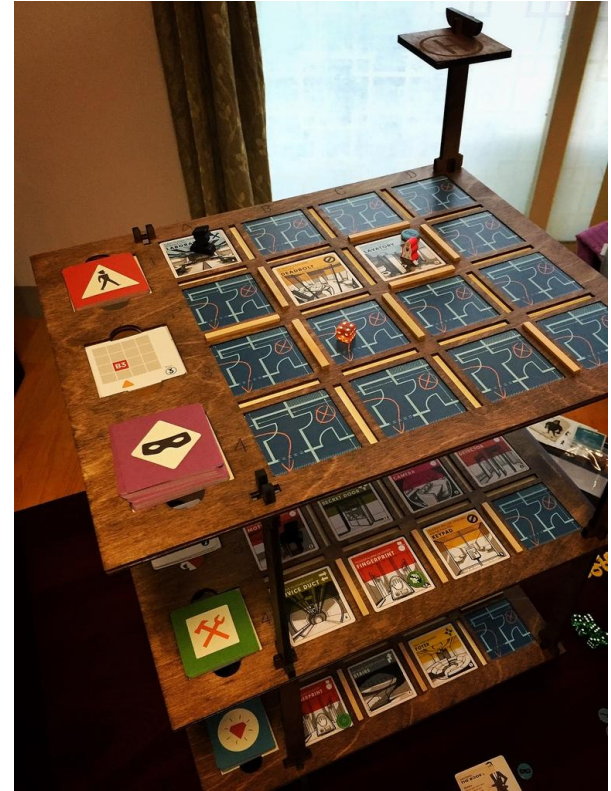

# My Method

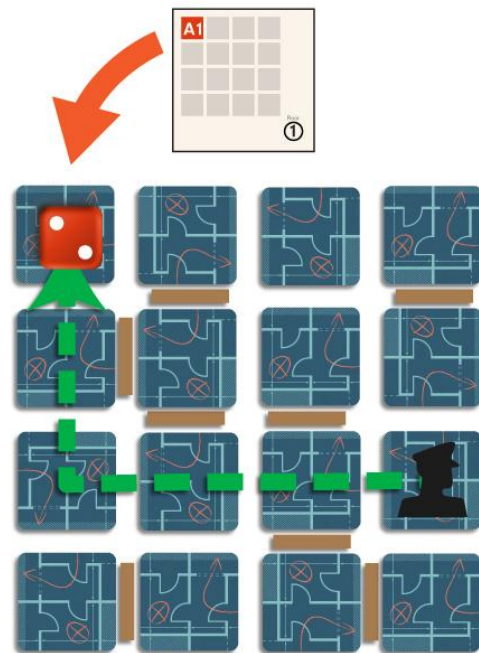

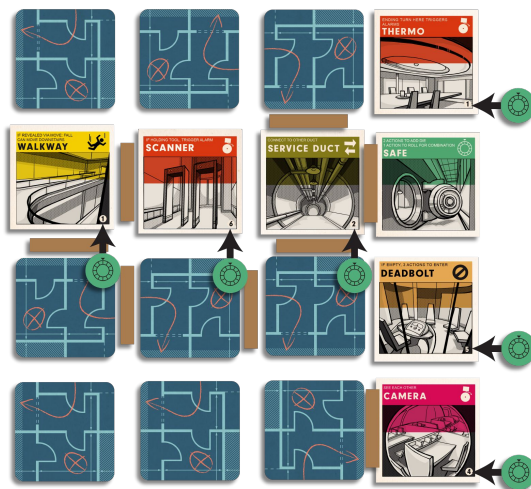

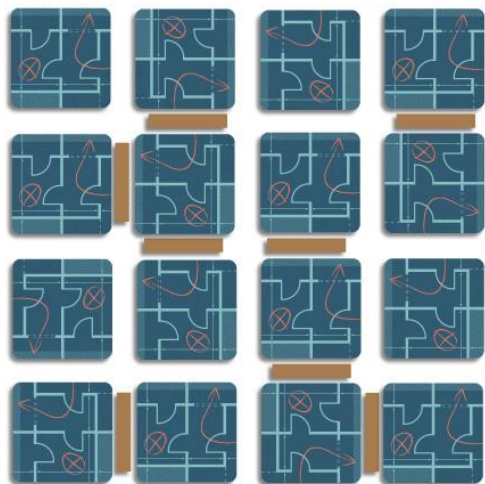

- Choose a moment
- Derive the fundamental emotion
- Try different a systems to reproduce it
- Clean it up
- Tie it back into the fantasy with context

# What's Burgle Bros?

# The Classic Heist

Assemble the Team

Evade the Guards and Alarms

Crack the Safe

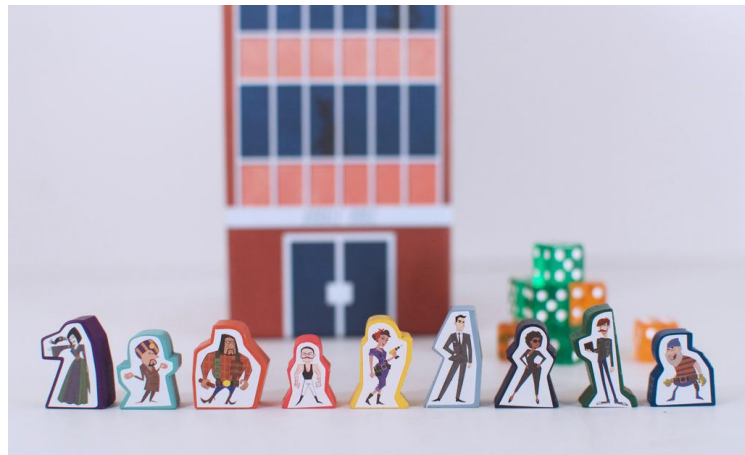

Something goes wrong!

Pull off a Miracle

# Assemble the team

Putting on a mask

# Evade the Guards and Alarms

Perfect prediction

# Crack the Safe

You're going to get caught

# Pull off a Miracle

Cleverness

# Grand Exit

# Overall Emotion

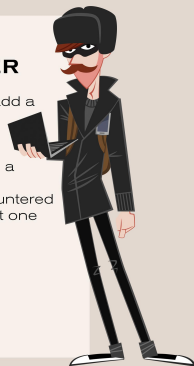

# Game as a Personality Test

## COMPUTER GUY THE HACKER

**Laptop** - He can add a hack token to himself for one action. This token can be used when a laser, motion, or fingerprint is encountered by any player. Limit one token at a time.

## RECON PRO THE HAWK

**X-ray** - As a free action, once per turn, you may peek at a tile through a wall.

What did I do in that situation?

# Thanks!
